

# Pediatric Cardiologists of the Nemours Cardiac Center

1600 Rockland Road | Wilmington, DE 19803 | Tel: 302-651-6600 | [Nemours.org/cardiaccenter](http://Nemours.org/cardiaccenter)

**Caring for each child as if they were our own.** The Nemours Cardiac Center is dedicated and specially designed to deliver state-of-the-art care to infants, children and teenagers with heart disease. We offer a full range of diagnostic and treatment services to patients with congenital and acquired heart disease ranging from the common to the extremely complex. The staff at both our primary site and various clinic locations consists of board-certified physicians, nurses, physician assistants, technicians and support personnel, all highly experienced in, and dedicated to, the care of children with heart problems.

Our facilities have been specifically designed by our medical staff in order to provide the very best care to our patients and their families. All diagnostic, treatment, and recovery areas are contiguous, spacious and modern with the latest equipment necessary to care for our patients.
