

Pediatric Neurosurgeons of Nemours/Alfred I. duPont Hospital for Children

1600 Rockland Road | Wilmington, DE 19803 | Tel: 302-651-5993 | Fax: 302-651-6410

Caring for each child as if they were our own. The Division of Neurosurgery diagnoses and treats infants, children and adolescents who require surgery of the brain, spinal cord and spinal column as well as the peripheral nervous system. The division is staffed by board-certified neurosurgeons specially trained in pediatric neurosurgery. The division offers antenatal consultations in cases of developmental disorders of the nervous system.

Typical Conditions Treated:

- Brain Tumors
- Craniosynostosis
- Head and Spine Injuries
- Hydrocephalus
- Intracranial Cysts
- Myelomeningocele
- Spinal Tumors
- Surgical Treatment for Epilepsy
- Syringomyelia
- Tethered Cord Syndrome
- Tethered Spinal Cord
- Traumatic Brain and Spinal Injuries
