2022 SUMMER HIGH SCHOOL VOLUNTEER PROGRAM INFORMATION

Thinking about volunteering this summer? Submit an Application and Recommendation Form to apply for our program!

Important Information

During the month of February ONLY, the link to an Application and Recommendation Form to apply for the 2022 summer program will be available on the Nemours Children’s Health website (Nemours.org/volunteering). We must receive your Application and Recommendation Form by February 28, 2022 to be considered for the program. The number of students accepted depends on the number of positions, COVID guidelines, and various other conditions. Please understand that we may need to make adjustments (major or minor) to this summer’s program due to the COVID-19 situation and the hospital’s recommendation. Thank you for your understanding during these unprecedented times.

Program Guidelines

• Must be 16 years of age by the start of the program, June 13, 2022
• Program Dates: Monday, June 13 through Friday, August 5, 2022
• Program is an 8-week session and must fulfill the minimum commitment: 7 of the 8 weeks
• With prior approval, you will be permitted one week off
• Will be scheduled for one day per week, Monday through Friday
• Must be able to volunteer sometime from 9 a.m. to 3:30 p.m. You will be scheduled for a 3-4 hour shift during that time.
• Once established, schedule will remain constant throughout the session

Requirements of the Program

• Must submit a completed 2022 Summer High School Volunteer Program Application and a Recommendation Form that must be filled out and submitted by a teacher or a guidance counselor.

If Accepted

• Must attend a mandatory interview/information session.
• Must submit immunization proof of COVID-19, Measles, Mumps and Rubella (MMR), Varicella and proof of two recent TB tests or a TB blood test.
• Must complete online training.
• Must submit the required forms.
• Must pass background checks if 18 or older.
