Delaware Smile Check Program

The Smile Check Program is a dental screening and referral system available to Delawareans insured by Medicaid, Delaware Healthy Children Program, or people with no dental insurance.

Parents/guardians are encouraged to complete the confidential survey for a child under 18 to receive an assessment of your child's current oral health status. People 18 or older can complete an assessment for yourself. The survey will be sent to a Community Dental Health Coordinator who will contact you to discuss the results of the survey, address your specific oral health needs and provide connections to care and other needed resources.
