

United Healthcare Update Effective October 1, 2016

We are pleased to announce Nemours accepts UnitedHealthcare commercial plans as of October 1, 2016.

Nemours Children's Health System (Nemours) and UnitedHealthcare have established a new network relationship that gives families enrolled in UnitedHealthcare's individual and employer-sponsored health plans in-network access to Nemours facilities and physicians in Delaware, Pennsylvania, New Jersey and Maryland effective October 1, 2016. This includes services provided at Nemours/Alfred I. duPont Hospital for Children as well as at Nemours duPont Pediatrics locations throughout the Delaware Valley.

A complete list of Nemours locations is available at
www.nemoursdupont.org.

This Agreement does **not** apply to the following UnitedHealthcare (UHC) plans:

- Medicare or Medicare Advantage Plans administered by UHC
- Medicaid or CHIP Plans administered by UHC
- OneNet PPO (Workers Compensation)
- TRICARE Plans administered by UHC
