

## Curriculum Vitae

**Anne E. Kazak, Ph.D., ABPP**

**Office Address:** Nemours Center for Healthcare Delivery Science  
A.I. du Pont Hospital for Children  
1600 Rockland Rd (Rockland Center I, 1701 Rockland Rd)  
Wilmington, DE 19803  
[anne.kazak@nemours.org](mailto:anne.kazak@nemours.org) 302.298.7456

### **Current Positions:**

- 2019- Director, Nemours Center for Healthcare Delivery Science  
<http://www.nemours.org/pediatric-research/area/health-care-delivery-science.html>
- 2013-2018 Co-Director, Nemours Center for Healthcare Delivery Science
- 2013- Professor, Department of Pediatrics, Sidney Kimmel Medical College at Thomas Jefferson University, Philadelphia, PA
- 2017- Affiliated Professor, College of Health Sciences, University of Delaware, Newark, DE
- 2013- Affiliated Professor, Department of Psychological and Brain Sciences, University of Delaware, Newark, DE
- 2013- Member, Kimmel Cancer Center, Thomas Jefferson University
- 2013- Senior Research Scientist, Christiana Care Health System, Newark, DE
- 2013 - Professor (Emerita), University of Pennsylvania, Philadelphia, PA
- 2002 - Co-Director, Center for Pediatric Traumatic Stress, at The Children's Hospital of Philadelphia and A.I. DuPont Hospital for Children, [www.healthcaretoolbox.org](http://www.healthcaretoolbox.org)
- 2006- Graduate Group Faculty, Department of Psychology, University of Pennsylvania
- 2010-2015 Editor-in-Chief Elect (2010) and Editor-in-Chief, *Health Psychology*  
<http://www.apa.org/pubs/journals/hea/index.aspx>
- 2015 Editor-in-Chief Elect, *American Psychologist* <http://www.apa.org/pubs/journals/amp/>
- 2016- Editor-in-Chief, *American Psychologist* <http://www.apa.org/pubs/journals/amp/>

### **Education:**

- 1983 Ph.D. in Clinical-Community Psychology, Department of Psychology, Institute of Clinical Psychology, University of Virginia *Dissertation:* Family stress and social support networks: An analysis of families with handicapped children.
- 1981-1982 Predoctoral Fellow, Department of Psychiatry, Yale University School of Medicine
- 1980 M.A. in Clinical-Community Psychology, University of Virginia *Thesis:* Life satisfaction and perceived role competence in single parent divorced women
- 1977 A.B. cum laude with Highest Honors in Psychology, Smith College  
*Thesis:* Differentiation and description of children's humor.

## **Previous Professional Experience:**

- 2010-2012 Chief, Section of Behavioral Oncology, Center for Childhood Cancer Research, The Children's Hospital of Philadelphia (CHOP), Philadelphia, PA.
- 2007-2012 Co-Leader, Health and Behavior Research Affinity Group, CHOP  
[http://www.research.chop.edu/research/affinity\\_groups/health\\_behavior/](http://www.research.chop.edu/research/affinity_groups/health_behavior/)
- 2005-2007 President Elect, President, Past President - Society of Pediatric Psychology Division 54, American Psychological Association <http://www.apa.org/divisions/div54>
- 2004-2010 Deputy Director, Behavioral Health Center, The Children's Hospital of Philadelphia
- 2002-2004 Vice Chair, Committees for the Protection of Human Subjects, Institutional Review Board, The Children's Hospital of Philadelphia
- 1999-2012 Professor, University of Pennsylvania, Philadelphia, PA.  
*Primary*, Department of Pediatrics; *Secondary*, Department of Psychiatry
- 1999-2011 Associate Scholar, Center for Clinical Epidemiology and Biostatistics, Department of Biostatistics and Epidemiology, University of Pennsylvania
- 1999-2010 Director, Department of Psychology, The Children's Hospital of Philadelphia
- 1999-2004 Director, Psychology Research, Department of Pediatrics, University of Pennsylvania
- 1991-1999 Associate Professor, University of Pennsylvania, School of Medicine
- 1992-1996 Adjunct Faculty, Institute for Graduate Clinical Psychology, School of Human Service Professions, Widener University, Chester, PA.
- 1989-1999 Director, Psychosocial Services, Div of Oncology, Children's Hospital of Philadelphia
- 1987-1990 Assistant Professor, University of Pennsylvania, School of Medicine
- 1987-1997 Adjunct Faculty, Department of Psychology, Division of Clinical Psychology, Temple University, Philadelphia, PA
- 1985-2000 Member, Service of Psychology, Pennsylvania Hospital, Philadelphia, PA
- 1983-1986 Assistant Professor, Department of Psychology, Division of Clinical Psychology, Temple University, Philadelphia, PA
- 1980-1981 National Institutes of Health Research Fellowship in Social Ecology and Development, University of Virginia
- 1977-1980 Teaching Assistant, Department of Psychology, University of Virginia.
- 1975-1977 Completed requirements for certification in elementary education, Smith College.
- 1975 Editor-in-Chief, *The Sophian*, Smith College student newspaper

## **Clinical Experience:**

- 1988-1999 Faculty, Psychology Internship Program (APA approved), Department of Psychiatry, The Children's Hospital of Philadelphia (formerly, Philadelphia Child Guidance Center): Outpatient psychotherapy supervisor; supervise oncology rotation.
- 1985-2000 Consultant, Core Team, Hall-Mercer Mental Health/Mental Retardation Center of Pennsylvania Hospital, Philadelphia, PA: Home-based evaluation and therapy for families with emotionally disturbed and mentally retarded children.
- 1987-2012 Attending Psychologist, Children's Hospital of Philadelphia
- 1983-1993 Supervisor, Psychological Services Center, Temple University: Provide group supervision to clinical psychology graduate students.
- 1982-1983 Advanced clinical psychology intern, Children's Rehabilitation Center, University of Virginia Medical Center: Family and individual therapy, program development and evaluation, training, consultation, supervision of practicum students.
- 1981-1982 Clinical psychology intern, Connecticut Mental Health Center, School of Medicine, Yale University:
- 1979-1981 Substitute counselor, Boy's Attention Home, Community Attention, Charlottesville

- 1979- 1980 Clinical psychology intern, Children's Rehabilitation Center, University of Virginia  
 1978-1979 Clinical-community psychology practicum student, Region X Mental Retardation Services, Charlottesville, VA.  
 1977-1979 Counselor. Family Counseling Program, Dept of Psychology, University of Virginia.  
 1975-1979 Practicum student, Northampton State Hospital, Northampton, MA.  
 1973-1974 Mental Hygiene Assistant Therapy Aide (summers), Rome Developmental Center, Rome, New York.

**Current Grants:**

1. National Cancer Institute. *Implementation of psychosocial interventions in pediatric cancer: An eHealth adaptation of the Surviving Cancer Competently Intervention Program (SCCIP). An eHealth intervention for caregivers of children with cancer (R03CA235002).* Co-Investigator/Mentor, in-kind contribution, (Canter, PI).
2. Patient-Centered Outcomes Research Institute. *PEDSNet: A National Pediatric Learning Health System* (C. Forrest, P.I.). Nemours MPI (with T. Bunnell) 1/1/19 - . \$637,209, 10/18/15-10/17/19.
3. Theresa and Frank Caplan Foundation (18-0004NFCH). *Helping families with children with autism: Identifying psychosocial stressors.* 9/1/18-8/31/19. \$50,000. MPI.
4. Toy Foundation. *Trauma informed care for children and families in pediatric healthcare.* 10/1/16-03/31/19. \$800,000, PI.
5. Alex's Lemonade Stand Foundation (ALSF). Family Impact Grant. *Screen to intervene: A family-centered approach to identifying and communicating family psychosocial risk and developing evidence-based clinical pathways in hematopoietic stem cell transplantation.* 1/15/16-1/14/19, PI.
6. Substance Abuse and Mental Health Services Administration. *Center for Pediatric Traumatic Stress* (U79, SM54325/SM058139/SM61255/SM080048). Funding from 2002 as Center in National Child Traumatic Stress Network. From 2002-2012 PI. 2013-17 Co-PI. 1/1/13 – 03/29/17. \$600K/year. Current cycle: 9/30/18-09/29/23.
7. National Cancer Institute. *Nemours NCI Community Oncology Research Program (NCORP)* (UG1-CA18995). 8/1/14 -7/31/19. Associate PI. (Sandler, PI).
8. National Institute of General Medical Services. *The Delaware Comprehensive Sickle Cell Research Center* (P20-GM109021). 08/01/14 – 07/31/19. Mentor. (M. Stuart, PI).

**Prior Grants (PI unless otherwise noted):**

1. Temple University Biomedical Research Support Grant. (1983-1984). *Families with institutionalized retarded children: Family stress and social networks.*
2. Temple University Faculty Grant in Aid of Research.(1983-1984). *Family stress and social networks in families with a child with phenylketonuria.*

3. University of Pennsylvania Research Foundation.(1989). *Adjustment in 10-15 year old childhood cancer survivors and their families.*
4. Maternal & Child Health MCJ-427050 (10/01/91 - 9/30/94). *Family-centered, Community-based psychosocial & educational services for children with chronic health conditions*, \$364,965
5. National Cancer Institute CA57917 (09/01/92-08/31/95). *Analgesia Protocol for Procedures In Oncology*, \$339,882
6. National Cancer Institute RO1CA63930 (10/1/93 - 09/30/95). *Stress, support, survival: Children at medical risk*, \$678,608. Administrative Supplement 10/01/95-09/30/96
7. University of Pennsylvania Cancer Center Core Support Grant (4/1/97-06/30/98). *A posttraumatic stress family intervention for adolescent survivors of childhood cancer*, \$20,000
8. University of Pennsylvania Center for Advancing Care in Serious Illness (4/1/97-3/31/98). *Symptoms of Posttraumatic stress in 18-40 year old survivors of childhood cancer*, \$7,500
9. National Cancer Institute CA16520-22S2 (12/1/98-11/30/00). Supplemental Award, University of Pennsylvania Cancer Center Grant. *Quality of life and symptoms of posttraumatic stress in 18-35 year old survivors of childhood cancer*, \$315,695
10. *Outcome-Oriented Assessment in Pediatric Oncology Psychosocial Care* (1999-2000). University of Pennsylvania Cancer Center. PI. \$20,000
11. National Cancer Institute. Competitive Renewal. *Stress, support, survival: Children at medical risk* (R01CA63930, 7/1/97- 6/30/03), \$1,298,034).
12. National Cancer Institute *Supplement to Stress, Support, Survival: Children at Medical Risk* (7/1/02-6/30/03). \$141,426 (one year direct cost).
13. Ethel Brown Foerderer Fund for Excellence, Children's Hospital of Philadelphia. *Changing Beliefs in Palliative Care Program Implementation* (7/1/00-6/30/03). \$42,883 (Co-PI).
14. National Cancer Institute. *Research Supplement for Underrepresented Minorities* (Parent Grant: Parental Beliefs in Pediatric Oncology, CA88828) for Terry Crump, Ph.D.
15. Lance Armstrong Foundation. *Promoting the Successful Adaptation of Young Adult Cancer Survivors: An Intervention Study*, 1/1/01-12/31/03, \$150K, Consultant (PI: Mary Rourke, Ph.D., Wendy Hobbie, CRNP).
16. National Cancer Institute. *Cognitive Remediation for Childhood Cancer Survivors* (R01CA83936, 9/26/00-8/31/04). Subcontract total costs \$505,801, co-PI.
17. National Heart Lung and Blood Institute. *Controlled pain intervention for adolescents with sickle cell disease*. Comprehensive Sickle Cell Center (CHOP). Center PI: K. Ohene-Frempong, M.D., Project PI: Jerilynn Radcliffe, Ph.D, 4/1/03-3/31/08. Co-Investigator.

18. Substance Abuse and Mental Health Services Administration *Center for Pediatric Traumatic Stress*. (SM54325, 7/1/02-6/30/05, extended project period through 9/30/06), \$1.8M Total Budget, PI. <http://www.chop.edu/CPTS>
19. National Cancer Institute. *Psychosocial Assessment Tool: Risk Factors for Distress*, (R21CA98039, 10/1/03-9/30/05, extended project period through 8/31/07), \$200,000, PI.
20. National Institute of Nursing Research. *Decision-making in palliative care*. (R21NR010026), 7/1/06-8/30/08, \$125K/year, co-Investigator.
21. National Cancer Institute. *Parental Beliefs in Pediatric Oncology: Changing Beliefs*. (R01CA88828, 7/1/01-6/30/06, extended project period through 6/30/09), \$3.2M, PI.
22. St Baldrick's Foundation. *Integrating evidence based psychosocial screening in pediatric oncology*. 7/1/08-8/31/10, \$93,115, PI.
23. National Cancer Institute. *Psychological Outcomes in Childhood Cancer Survivors*. (R01CA106928, 6/15/04-5/31/12). \$2.3M, PI.
24. National Cancer Institute. *Transition Readiness of Adolescent and Young Adult Survivors of Childhood Cancer* (R21CA141332). 1/1/11-12/31/12, Co-Investigator/Mentor (L. Schwartz, PI).
25. Children's Hospital of Philadelphia Center for Childhood Cancer Research-Alex's Lemonade Stand Foundation (CCCR-ALSF). *Translational Behavioral Oncology Research*. 2/1/12-01/31/13, \$100,000, PI.
26. National Institute of Nursing Research. *Decisionmaking in pediatric advanced care* (R01NR012026). 4/1/10-3/31/15. Co-Investigator (C. Feudtner, PI).
27. National Institute of Child Health and Development. *A longitudinal study of parent-child collaboration in CF and Type II diabetes* (R01HD06438), 12/1/10-11/30/15. Co-Investigator /Mentor until 12/30/12. Current Consultant/Mentor (V. Miller, PI).
28. National Cancer Institute. *Telephone Counseling – Mothers of Children with Cancer* (R21CA141313). 9/27/11-8/31/13, Consultant (D. Friedman, Vanderbilt University, PI).
29. National Institute of Child Health and Development. *Examining how children benefit from the assent process for research decisions* (R21HD067554). 03/05/12-02/28/14. Co-Investigator/Mentor until 12/31/12. Current Consultant/Mentor (V. Miller, PI).
30. National Cancer Institute. *Feasibility of a couples based intervention for parents of children with cancer* (R21CA164817). 7/1/12-6/30/14, Consultant (L. Porter, Duke University, PI).
31. National Cancer Institute. *Psychological Intervention Research in Pediatric Oncology* (K05CA128805). 9/01/08 - 8/31/14, \$767,208, PI.
32. National Institute of General Medical Services. *Delaware-CTR* (U54GM104941). 09/26/13 – 05/31/18. Senior Mentor, Research Leadership Group. (Binder-Macleod, PI).

33. CureSearch Community Impact Award. *Implementing family psychosocial risk screening in English and Spanish*. 12/01/16-11/30/17. (Co-Investigator).
34. Nemours Biomedical Fellows Research Grant (16-14062-001). *Implementation of psychosocial interventions in pediatric cancer: An eHealth adaptation of the Surviving Cancer Competently Intervention Program (SCCIP)*. 4/1/17-3/31/18. Mentor for Fellow: Kimberly Canter, Ph.D., PI.
35. American Cancer Society. *Cross-Cultural Psychosocial Risk Screening in Pediatric Cancer* (RSG-13-015). 7/1/13-06/30/18. \$900,000, PI.

- 1989 Consultant, The Vanderveer Group, Atlanta, GA: Design and instrument development to evaluate children's health knowledge and attitudes.
- 1984 Consultant, Peace Research Associates, Philadelphia, PA. Design, analysis, and evaluation of research on families and nuclear issues.

### **Invited Workgroups/Conferences:**

- U.S. Surgeon General's Workshop on Children with HIV Infection and Their Families.* The Children's Hospital of Philadelphia, Philadelphia, Pennsylvania, April 6-8, 1987.
- Kent State University Applied Psychology Forum on Family Health Psychology.* Millersburg Ohio, April 16-19, 1991
- Healthcare Reform and Psychologists in Medical Schools: Stress, Challenge and Change.* Association of Medical School Professors of Psychology, Washington, DC., Nov 2-4, 1995.

*George Washington University Workgroup on Families and Health*. Washington, D.C., Sept 1997; Minneapolis, MN, Oct 1998, Rochester, NY, Sept 2000, November 2001.  
*Progress Review Group*, National Cancer Institute (Sarcoma), Philadelphia, PA., October 2003.  
*Children and Adolescent Task Force of the Ad Hoc Committee on End of Life*. American Psychological Association, 2003-2004.  
*Science Leadership Conference*. American Psychological Association, Dec 2005, Dec 2006.  
*Evidence-Based Practice for Children and Adolescents Taskforce* (Chair), American Psychological Association, 2006-2007.  
*Childhood Cancer Psychosocial Congressional Summit and Research Symposium*, March 2012, Scientific Chair.  
*Psychosocial Standards of Care Project for Childhood Cancer (PSCPCC)*. 2012-present, organizer and member of leadership team.  
*Patient Centered Medical Homes Taskforce* (Co-Chair), American Psychological Association, 2013-14.  
*Science and Innovative Care Strategies: Using our science to enhance the success of healthcare redesign*. American Psychological Association, 2014.  
*Comprehensive Cancer Care for Children and Their Families*. Institute of Medicine National Cancer Policy Forum and the American Cancer Society. Invited workshop participant. Washington, DC, March 9-10, 2015.  
*Global Approaches to Integrated Care: Translating science and best practices into patient centered health care Delivery*. Planning Committee, American Psychological Association Presidential Summit, November 2-5, 2015.  
*Ensuring quality and accessible care for children with disabilities and complex health and educational needs*. National Academies of Sciences, Engineering and Medicine. Invited workshop participant. Washington, DC, December 9-10, 2015.

### **Committees at the Children's Hospital of Philadelphia**

Institutional Review Board (IRB), CHOP, Member, 1999-2004  
Search Committee, Institutional Review Board Chair, 1999-2000  
Search Committee, Department of Psychiatry Chair, 1999-2003  
Non Physician Health Practitioner Committee of the Medical Staff, CHOP, 1999-2010  
Committee on Appointments and Promotions (COAP), Joseph Stokes, Jr. Research Institute, 2000  
Stokes Scientific Review Committee, 2000  
Research Compliance Oversight Committee, 2001- 2004  
Clinical Subcommittee of the Research Compliance Oversight Committee, 2002-2004  
Foerderer-Murray Grant Review Committee, 2002-2012  
Public Relations Medical Advisory Board, 2002 – 2004  
Executive Committee, Behavioral Health Center, 2004-2010  
Proposal Preparation, Submission, and Award Management Task Force, 2004-2005  
Chair, Scientific Review Committee, Health and Behavior Research Affinity Group, 2008-2012  
Bridge Funding Committee, 2009-2012

### **Committees at the University of Pennsylvania:**

Executive Committee, Faculty Senate, 2002-2004  
Steering Committee, Advancing Maternal Depression Research at the University of Pennsylvania (Retreat held November 2006)  
Internal Advisory Board Member, LIVESTRONG Survivorship Center of Excellence,

University of Pennsylvania  
Disciplinary Hearing Panel member, Office of Student Conduct, 2011-2013

**Committees at Nemours and Affiliates:**

Faculty Promotion Committee (Nemours), 2013-  
Executive Committee, Clinical and Translational Science Award, Delaware Health Sciences Alliance, 2013-  
Delaware Health Sciences Alliance, Coordinating Council, 2013-  
Committee on Research Integrity (Nemours), 2014-  
Institutional Steering Committee, The Center for Pediatric Research (NIH COBRE grant; P30GM114736; T. Shaffer, PI), 2015-

**Honors and Awards:**

2017 Significant Contribution to the Profession of Psychology and to Humanity, Philadelphia Society of Clinical Psychologists  
2016 Presidential Citation, American Psychological Association  
2015 Nemours Researcher of the Year  
2009 PSYCHE Prize (American Psychological Foundation and the Nicholas and Dorothy Cummings Foundation)  
2005 Smith College Medal  
2003 Family Psychologist of the Year, American Psychological Association  
2002 Logan Wright Distinguished Research Award, American Psychological Association  
2000 Significant Contribution to Family Psychology, American Psychological Association  
1998 Distinguished Contribution to Family Systems Research, American Family Therapy Academy  
1997 Distinguished Alumnae, University of Virginia, Department of Psychology  
1979 DuPont Graduate Fellowship, University of Virginia  
1976 Phi Beta Kappa  
1976 Sigma Xi  
1976 Psi Chi  
1976 National Science Foundation Undergraduate Research Fellowship, Brown University  
1975 First Group Scholar, Smith College

**Participation in Promotion/Tenure/Personnel Reviews:**

Baylor University, Boston University, Brown University, Case Western University, Drexel University, Duke University, Georgia State University, George Washington University, Harvard University, Hospital for Sick Children, McMaster University, Memorial Sloan Kettering Cancer Center, New York University, Ohio State University, St. Jude Research Hospital, State University of New York, Syracuse University, Thomas Jefferson University, Tulane University, University of Alabama, University of British Columbia, University of California, University of Chicago, University of Cincinnati, University of Colorado, University of Connecticut, University of Florida, University of Miami, University of Michigan, University of Kansas, University of Oregon, University of Pennsylvania, University of Pittsburgh, University of Rochester, University of Toronto, University of Washington, University of Wisconsin, Wayne State University

### **Professional Memberships:**

American Psychological Association (Fellow – Divisions 12, 38, 43, 44, 54)  
Society for Research in Child Development  
Association of Psychologists in Academic Health Centers  
Council of Science Editors  
Society of Developmental and Behavioral Pediatrics  
Pennsylvania Psychological Association  
American Psychosocial Oncology Society  
Society of Behavioral Medicine  
Children's Oncology Group  
Delaware Psychological Association

### **National Boards and Committees:**

Medical Advisory Board, TherapyRightNow.com, 2000  
American Board of Family Psychology, Member at Large, 2002-2004  
Wynne Center for Family Research, University of Rochester, 2002-2008  
Vice-President of Board, 2006-2008  
Starbright Healthcare Advisory Committee, 2003-2005  
Council of Editors, American Psychological Association, 2004-2009 (Chair, 2009)  
National Child Traumatic Stress Network, Steering Committee, 2003-2005; 2009-2011  
Randy Gerson Memorial Award, Review Committee Member, 2006-2008  
Scientific Advisory Group, Psychosocial and Neurological Outcomes Working Group, Childhood Cancer Survivors Study (CCSS), 2006-  
Journal Advisory Committee, Publications and Communications Board, APA, 2007-2008  
Scientific Advisory Board, Striving for More ([www.striving4more.com](http://www.striving4more.com)), 2009  
Consultant, Kennedy Krieger Family Center, Kennedy Krieger Institute, Baltimore, MD, 5/2010  
Editor Search Committee, *Journal of Pediatric Psychology*, Division 54, APA, 1998, 2004,  
Chair, 2010 (chair), 2016 (chair)  
Historian, Society of Pediatric Psychology (Div 54, American Psychological Association), 2013-  
Advisory Panel, *Clinical Practice in Pediatric Psychology*, 2012-13  
Patient-Centered Outcomes Research Institute. Workgroup: Integration of Mental Health and  
Primary Care. Representing the American Psychological Association (APA), December 13, 2013  
Council of Representatives, American Psychological Association, 2016-

Journal Publisher Search Committee for the *Journal of Pediatric Psychology*, 2017  
Naming Committee, Society of Pediatric Psychology, 2015-

### **Licensure and Credentials:**

Commonwealth of Pennsylvania, Psychologist PS-004522-L  
State of Delaware, Psychologist B1-0000897  
Board Certified in Family Psychology, American Board of Professional Psychology, #5494  
Certificate of Professional Qualification in Psychology (CPQ), Association of State and Provincial  
Psychology Boards (ASPPB)

## **Other Credentials:**

- 2013 Certificate in Digital Photography, University of the Arts, Philadelphia, PA.  
Completed coursework including Basic and Advanced Digital Photography, Photoshop, Business of Photography, Portraiture, Night Photography, Travel Photography at the University of the Arts and other advanced photography training and workshops.  
[www.annekazakphotography.com](http://www.annekazakphotography.com)

## **Volunteer Service:**

- 2011- 15 American Red Cross, Southeastern Pennsylvania Chapter  
Mental Health Disaster Team  
Photographer

## **Mentoring - Major Previous:**

1. Margaret L. Stuber, M.D., *Position at time of mentoring:* Assistant Professor, Department of Psychiatry, University of California at Los Angeles, NIMH K07, Prediction and Prevention in Children at Medical Risk 1991-96 (Mentor). *Current Position:* Professor and Nathanson Chair, Department of Psychiatry, Assistant Dean for Well Being and Career Planning, David Geffen School of Medicine, University of California at Los Angeles.
2. Dimitri A. Christakis, M.D., M.P.H. *Position at time of mentoring:* Medical Student, University of Pennsylvania School of Medicine, NIMH-Measey Fellowship, 1991-93 (Mentor). *Current Position:* George Adkins Professor of Pediatrics, University of Washington. Director, Center for Child Health, Behavior and Development, Seattle Children's Hospital.
3. George Blackall, Psy.D., *Position at time of mentoring:* Graduate student, Widener University *Current Position:* Professor; Director, Office for a Respectful Learning Environment. Penn State University School of Medicine/Geisinger Health.
4. Bret Boyer, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, CHOP (1993-1995). Psychologist and Senior Psychologist, The Children's Hospital of Philadelphia, Clinical Assistant Professor, Department of Pediatrics, University of Pennsylvania School of Medicine (1995-2003). *Current Position:* Associate Professor, Widener University.
5. Randi Streisand, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, The Children's Hospital of Philadelphia, 1998-99. *Current Position:* Professor, Department of Psychiatry and Behavioral Sciences, George Washington University. Division Chief, Psychology and Behavioral Health, Children's National Medical Center, Washington, DC.
6. Mary T. Rourke, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, The Children's Hospital of Philadelphia, 1998-2000. Director, Psychosocial Services, Division of Oncology, CHOP; Associate Director, Behavioral Health Integrated Program, The Children's Hospital of Philadelphia, co-Director, Psychology Internship Training Program, CHOP. *Current position:* Associate Professor, Widener University

7. Sheila Santacroce, Ph.D., RN, CRNP. *Position at time of mentoring:* Postdoctoral Fellow (1997-99), University of Pennsylvania School of Nursing. (Previous) Associate Professor, Yale University School of Nursing. *Current Position:* Associate Professor and Beerstecher-Blackwell Distinguished Professor, School of Nursing, University of North Carolina.
8. Alicia Kunin-Batson, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, CHOP (2000-2001). *Current Position:* Assistant Professor, University of Minnesota School of Medicine.
9. Mary Best, Ph.D., *Position at time of mentoring:* Drexel University (Graduate student). *Current Position:* Assistant Professor, Yale University School of Medicine.
10. M. Catherine Cant Peterson, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, The Children's Hospital of Philadelphia, 2001-2002. *Prior Position:* Assistant Professor, University of Michigan School of Medicine. *Current Position:* Assistant Professor, Eastern Michigan University.
11. Terry A. Crump, Ph.D. *Position at time of mentoring:* Postdoctoral Fellow, Division of Oncology, 2001-2003. Research Supplement for Under-represented Minorities (NCI). *Current position:* Psychologist, OptumHealth, Atlanta, GA; Adjunct Professor, Argosy University
12. Kelly McClure, Ph.D. *Position at time of mentoring:* Postdoctoral Fellow, CHOP, 2001-2003. *Current position:* Associate Professor and Director of Clinical Psychology Section, Department of Psychology, LaSalle University.
13. C. Alexandra Boeving, Ph.D. *Position at time of mentoring:* Postdoctoral Fellow, Division of Oncology, CHOP, 2003-2005. *Subsequent Positions:* Fellow, Center for Interdisciplinary Research on AIDS, Yale University; Assistant Professor, Wake Forest School of Medicine.
14. Anna Maria Patino-Fernandez, Ph.D. *Position at time of mentoring:* Postdoctoral Fellow, Division of Oncology, 2004-2006. *Current Position:* Assistant Professor, Department of Pediatrics, University of Miami. *Current Position:* Private practice, Miami, FL.
15. Chiara Baxt, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, Center for Pediatric Traumatic Stress, CHOP, 2003-2005. Psychologist, Behavioral Health Integrated Program, CHOP. *Current Position:* Private practice, Plymouth Meeting, PA.
16. Courtney Fleisher, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, CHOP, 2003-2005. *Current Position:* Clinical Assistant Professor, Larner College of Medicine, University of Vermont.
17. Alyssa Rodriguez, Ph.D., *Position at time of mentoring:* Postdoctoral Fellow, CHOP, 2003-2006. Staff psychologist, CHOP. *Current position:* Private Practice, Charleston, SC.
18. Bradley Marino, M.D. (1994, Harvard), MPP (1994, Harvard), MSCE (University of Pennsylvania, 2005). , *Position at time of mentoring:* Assistant Professor, Department of Anesthesiology and Critical Care Medicine, CHOP, K23HD048637 Testing the Pediatric Cardiac Quality of Life Instrument (Mentor, 2005-2009). *Current Position:* Professor (Cardiology and Medical Social Sciences), Northwestern University Feinberg School of Medicine, Ann & Robert H. Lurie Children's Hospital of Chicago.

19. Ahna Pai, Ph.D., (2003, Oklahoma State University). *Position at time of mentoring (2005-2007):* Research Psychologist, Division of Oncology, CHOP, 2005-2007. *Current Position:* Professor, Department of Pediatrics, University of Cincinnati. Director, Cancer & Blood Disorders Institute Patient and Family Wellness Center, Cincinnati Children's Hospital Medical Center, Cincinnati, OH.
20. Meredith Lutz Stehl, Ph.D., (2005, Drexel University). *Position at time of mentoring:* Psychology Fellow, Division of Oncology, CHOP, 2005-2007. *Prior Position:* Attending psychologist, A.I. Du Pont Institute, Assistant Professor, Thomas Jefferson University. *Current Position:* Cecil College, North East, MD.
21. Kevin Hommel, Ph.D. (2002, Oklahoma State). *Position at time of mentoring starting in 2004:* Assistant Professor, Department of Child and Adolescent Psychiatry, University of Pennsylvania School of Medicine. K23079037 Behavioral treatment of nonadherence in pediatric inflammatory bowel disease (2007-2012; Initial Primary Mentor, grant transferred to Cincinnati Childrens, 2008). *Current Position:* Professor, Department of Pediatrics, University of Cincinnati.
22. Ricardo Eiraldi, Ph.D., *Position at time of mentoring:* Associate Professor, Division of Developmental and Behavioral Pediatrics, Department of Pediatrics, University of Pennsylvania School of Medicine. K23MH064080 Understanding ADHD in Low-Income Latino Children. 2003-2008. (Mentor)
23. James Guevara, M.D., *Position at time of mentoring:* Assistant Professor, Department of Pediatrics, University of Pennsylvania School of Medicine, NIMH K23, Collaborative Care Approach for Children with ADHD (Consultant). *Current position:* Professor, Department of Pediatrics, University of Pennsylvania School of Medicine,
24. Joseph Zorc, M.D., *Position at time of mentoring:* Assistant Professor, Department of Pediatrics, University of Pennsylvania School of Medicine, NHLBI K23, Improving Followup Care After an Emergency Visit for Asthma (Collaborator). *Current position:* Professor, Department of Pediatrics, University of Pennsylvania School of Medicine
25. Tammy Kang, M.D. *Position at time of mentoring:* Assistant Professor, Department of Pediatrics, University of Pennsylvania School of Medicine. *Prior position:* Associate Professor, Department of Pediatrics, University of Pennsylvania School of Medicine. *Current Position:* Section Chief, Palliative Care Services, Texas Children's Hospital; Associate Professor, Baylor University School of Medicine.
26. Leslie Segal Kersun, M.D., *Position at time of mentoring:* Assistant Professor, Department of Pediatrics, University of Pennsylvania School of Medicine *Current position:* Associate Professor, Division of Oncology, Department of Pediatrics, University of Pennsylvania School of Medicine.

27. David Rubin, M.D., MSCE (1996, University of California, San Francisco), MSCE (2002, University of Pennsylvania). *Position at time of mentoring*: Assistant Professor, Department of Pediatrics, University of Pennsylvania School of Medicine K23HD045748. Healthcare use and foster care placement stability. (Primary Mentor, 2005-2009). *Current position*: Professor and Mary D. Ames Chair in Child Advocacy, Department of Pediatrics, University of Pennsylvania School of Medicine. Director, PolicyLab, Children's Hospital of Philadelphia (CHOP).
28. Paul Robins, Ph.D., *Position at time of mentoring*: Assistant Professor, Department of Psychiatry, University of Pennsylvania School of Medicine. *Current position*: Professor, Department of Psychiatry, Perelman School of Medicine, University of Pennsylvania.
29. Andrea Kohn Maikovich-Fong. Graduate Student, Department of Psychology, UPENN. Dissertation completed, 2009. *Prior position*: Psychology Postdoctoral Fellow, University of Washington. *Current Position*: Psychosocial Oncology Supervisor, Colorado Blood Cancer Institute at Presbyterian/St Luke's.
30. Theresa M. Schmitz, Ph.D., *Position at time of mentoring*: Postdoctoral Fellow, Veterans Administration Hospital, Philadelphia (Member of mentorship committee). *Current position*: Technical Assistance Specialist Family Mental Health Counselor, Veterans Affairs Central Office.
31. Janet A. Deatrck, Ph.D., FAAN, Shearer Endowed Term Chair in Healthy Community Practices and Professor, School of Nursing, University of Pennsylvania. Dr. Deatrck spent a sabbatical year in my laboratory (2001). We re-established a mentoring relationship to prepare for Dr Deatrck's 2011 promotion to Professor.
32. Rhonda Boyd, Ph.D., *Position at time of mentoring*: Assistant Professor, Department of Psychiatry, University of Pennsylvania. *Current position*: Associate Professor, Department of Psychiatry, University of Pennsylvania.
33. Branlyn Werba DeRosa, Ph.D. (2002, University of Florida). *Position at time of mentoring*: Research Psychologist, Division of Oncology, CHOP, 2004-11. *Current position*: Coordinator for Doctor/Patient Communication Assessment at the National Board of Osteopathic Medical Examiners, Philadelphia, PA., Psychologist, The Children's Hospital of Philadelphia.
34. Kinjal Doshi, Ph.D. *Position at time of mentoring*: Graduate Student (dissertation chair), Department of Psychology, UPENN. *Current position*: Senior Psychologist, Singapore General Hospital, Singapore
35. Nataliya Zelikovsky, Ph.D., *Position at time of mentoring*: Assistant Professor, Division of Nephrology, Department of Pediatrics, University of Pennsylvania School of Medicine (2000-2009). Mentor for proposed K23. Psychosocial Predictors of non-adherence in pediatric renal transplantation. *Current position*: Associate Professor, Department of Psychology, La Salle University, Philadelphia, PA

36. Lamia P. Barakat, Ph.D., *Position at time of mentoring*: Staff psychologist, The Children's Hospital of Philadelphia, 1993-96. Assistant and Associate Professor, Department of Psychology, Sociology and Anthropology, Drexel University. We re-established a mentoring relationship in 2008 when Dr. Barakat returned to CHOP/PENN. *Current position*: Professor, Department of Pediatrics, UPENN; Director, Psychosocial Services, Division of Oncology, The Children's Hospital of Philadelphia.
37. Jessica Guite, Ph.D., (2001, Vanderbilt University). *Position at time of mentoring* (2003-2012): Assistant Professor, Department of Anesthesiology and Critical Care Medicine, University of Pennsylvania School of Medicine; Attending Psychologist, Pain Management Team, CHOP. R03HD054596. Pain beliefs, treatment expectations & outcomes of adolescents with chronic pain (Mentor). *Prior Position*: Division of Pain and Palliative Medicine, Connecticut Children's Medical Center, Assistant Professor of Pediatrics University of Connecticut School of Medicine. *Current Position*: Associate Professor of Pediatrics University of Connecticut School of Medicine, Children's Center for Community Research.
38. Lisa J. Meltzer, Ph.D., (2002, University of Florida). *Position at time of mentoring, starting in 2002*: Psychology Fellow, Pickwick Fellow, Assistant Professor, Division of Pulmonology (Sleep Medicine), Department of Pediatrics, University of Pennsylvania School of Medicine. K23 Sleep, depression and psychosocial risk factors in caregivers (2008-2013, Mentor at UPENN, now co-mentor). *Current Position*: Associate Professor, National Jewish Health, Denver, Colorado.
39. Victoria A. Miller, Ph.D., (Ph.D. 2005, Case Western University). *Position at time of mentoring*: Psychology Fellow, Center for Research Integrity, CHOP. *Current position*: Associate Professor, Department of Anesthesiology and Critical Care Medicine, University of Pennsylvania School of Medicine. K23HD055304 Parent-Child Collaborative Decisionmaking for the Management of Chronic Illness, NICHD (Mentor). PI of R01HD064638 A longitudinal study of parent-child collaboration in CF and Type II diabetes (NICHD) and R21HD067554 Examining how children benefit from the assent process for research decisions (co-Investigator, mentor thru 2012 ).
40. Lisa Schwartz, Ph.D. (Ph.D. 2005, Case Western University). *Position at time of mentoring*: Fellow, Division of Oncology, CHOP, 2005-2007, Research Psychologist, CHOP, 2007-2010. *Current Position*: Assistant Professor, Department of Pediatrics, University of Pennsylvania. R03CA126337 Health-Related Hindrance, NCI (Mentor), ALFAC Young Investigator Award (Mentor). R21CA141332 Transition Readiness of Adolescent and Young Adult Survivors of Childhood Cancer. (co-Investigator and Mentor). Mentor from 2005-2012.
41. Moriah Brier, Doctoral student, Department of Psychology, UPENN, 2010-2016. *Current position*: Clinical Psychology Intern at the VA Puget Sound Healthcare System, Seattle Division
42. Susana Santos, Ph.D. (Ph.D. 2017 University of Coimbra, Portugal). Dissertation Committee Member and mentor for Research Educational Visitor to Nemours, 2014.

43. Melissa Alderfer, Ph.D. (Ph.D. 2001, University of Utah), Postdoctoral Fellow, The Children's Hospital of Philadelphia, 1999-2001. Assistant to Associate Professor, Department of Pediatrics (Division of Oncology), University of Pennsylvania School of Medicine, 2003-2013. Mentored Research Scholars Grant, Family and peer influences on sibling adjustment to childhood cancer, American Cancer Society (Primary Mentor). Funded NIH investigator (R03, R01). *Current position*: Principal Research Scientist, Nemours Children's Health Network, A.I. du Pont Hospital for Children, Wilmington, DE. and Associate Professor, Sidney Kimmel Medical College of Thomas Jefferson University
44. Canice Crerand, Ph.D. (Ph.D., 2004, Drexel University). Psychologist, Department of Surgery, The Children's Hospital of Philadelphia and Assistant Professor, Department of Surgery, University of Pennsylvania Perelman School of Medicine. Body Image in Adolescents with Craniofacial Conditions. 1K23DE020854. *Current position*: Assistant Professor, Ohio State University; Psychologist, Nationwide Children's Hospital, Columbus, OH
45. Lori Kestenbaum Handy, M.D., (M.D. 2009, University of Pennsylvania), MSCE (2017, University of Pennsylvania). Assistant Professor, Department of Pediatrics, Thomas Jefferson University, Pediatric Infectious Disease Attending, A.I. du Pont Hospital for Children. Antimicrobial Stewardship Interventions in a Large Primary Care Network. 2015 – 2017. *Current position*: Associate Medical Director of Infection Prevention and Control, Children's Hospital of Philadelphia.

#### **Mentoring - Current:**

1. Matthew C. Hocking, Ph.D., (Ph.D. 2009, University of Alabama). Postdoctoral Fellow, Division of Oncology, CHOP, 2009-12. American Cancer Society Postdoctoral Fellowship (Mentor). R03CA162970 from the NCI (Mentor). K07CA178100 A prospective study of social competence in pediatric brain tumor survivors (Primary co-Mentor). *Current position*: Pediatric Psychologist, Division of Oncology, The Children's Hospital of Philadelphia; Assistant Professor, Department of Psychiatry, Perelman School of Medicine, University of Pennsylvania. Mentor 2009-present.
2. Elizabeth Prout, M.D. (M.D., 1999, Tufts University), MSCE (2010, University of Pennsylvania). Mentor starting in 2010. Assistant Professor, Department of Pediatrics, Division of Gastroenterology and Nutrition, 2010-present. K01CA160818 Obesity and cancer risk in minority youth. 04/01/13-03/31/18.
3. Loren Berman, M.D., (M.D. 2004, Johns Hopkins) MHS (2008, Robert Wood Johnson Clinical Scholar, Yale University). Assistant Professor, Department of Surgery, Thomas Jefferson University, Pediatric Surgeon, A.I. du Pont Hospital for Children. Mentor for Mentored Research Development Award, DE-CTR Award, 2014. Prenatal Surgical Consultation and Decision Making.

4. Steven Reader, Ph.D. (2007, University of Florida), Assistant Professor, Department of Pediatrics, Thomas Jefferson University; Pediatric Psychologist, A.I. du Pont Hospital for Children. Mentor for Mentored Research Development Award, DE-CTR Award, 2014. National Institute of General Medical Sciences, Screening for psychosocial risk in pediatric sickle cell disease (Mentor). 2014-2019. Screening for Psychosocial Risk in Pediatric Sickle Cell Disease, Center of Biomedical Research Excellence (COBRE, The Delaware Comprehensive Sickle Cell Research Center (P20-GM1090021, Mentor).
5. Thao-Ly Phan, M.D., (2009, Brown University). M.P.H. (2015, Thomas Jefferson University), Fellow, Weight Management, A.I. du Pont Hospital for Children, *Current position*: Associate Professor (2018), Department of Pediatrics, Thomas Jefferson University. Mentor for American Pediatric Association Research in Academic Pediatrics Initiative on Diversity (RAPID)/National Institute of Diabetes and Digestive and Kidney Disease (NIDDK) Award Psychosocial Risk, Adherence and Outcomes in Pediatric Obesity Treatment, 2014. Integrating parenting interventions into pediatric obesity care. K23HD083439. The Eunice Kennedy Shriver National Institute of Child Health and Development (NICHD), 2015-2020, Mentor.
6. Erica D. Sood, Ph.D., (2009, Temple University). Associate Professor (2018), Department of Pediatrics, Thomas Jefferson University, Pediatric Psychologist, A.I. du Pont Hospital for Children. Mentor for Mentored Research Development Award, DE-CTR Awards: a) Family Psychosocial Risk Assessment and Intervention in a Pediatric Heart Center, 2014, and b) *Family-Based Psychosocial Interventions in a Pediatric Cardiac Center*, 2015. Mentor for research grant from the Mend A Heart Foundation, Incorporating parent perspectives in the development of a family-based psychosocial intervention in a pediatric cardiac center, 2015-16. Mentor for DE-CTR Pilot Project grant Family Psychosocial Care Model for Congenital Heart Disease, 2016-18.
7. Julia Price, Ph.D., (2012, Temple University), Research Associate, Assistant Research Scientist, Center for Healthcare Delivery Science, Nemours Children's Health Network; Assistant Professor, Department of Pediatrics, Thomas Jefferson University; Pediatric Psychologist, A.I. du Pont Hospital for Children. 2013- present.
