While the names of the Institutional Review Board (IRB) members are held confidential, this list describes the number of individuals and diversity of the membership as of the date of this correspondence. Any IRB member who is an investigator, co-investigator or has any other conflict of interest with a protocol under review by the IRB will not participate in the discussion or vote of that protocol; although he or she may be called upon to answer questions during the review.

Please feel free to contact me should there be any questions or concerns.

Sincerely,

Robert M. Colnes, PhD  
Director,  
Office of Human Subjects Protection
