

# Supporting Excellence

# CAPITAL GIFT

“Highmark Blue Cross Blue Shield Delaware is pleased to support Nemours / Alfred I. duPont Hospital for Children with a gift of \$500,000 as it expands its facilities. The Hospital is a regional destination with a strong reputation for quality, family-centered care,” says Tim Constantine, President.

“It is that focus on quality that appealed to us with the expansion of the hospital. As Highmark Blue Cross Blue Shield Delaware, we remain committed to providing access to high-quality, cost-effective services for our nearly 400,000 customers—just as we have for more than 75 years.”

Constantine noted that the Hospital’s pediatric liver transplantation program has been recognized as a Blue Distinction® Center, a designation given by the national Blue Cross and Blue Shield Association (BCBSA) to hospitals that have demonstrated expertise in delivery of quality health care. “To be designated as such, there are rigorous requirements. It speaks strongly to the quality of pediatric services offered here in Wilmington.”

**“The Hospital is truly a world-class health care asset for our community and for families seeking highly specialized care.”**

“In learning about the features of the Hospital’s expansion, we have been impressed by the focus on quality, technology, safety and efficiency, as well

Tim Constantine, President of Highmark Blue Cross Blue Shield Delaware

as the emphasis on providing a healing environment for sick and injured children,” remarks Constantine. “The Hospital offers such a wide range of excellent services—especially in cardiac care and orthopedics. It is truly a world-class health care asset for our community and for families seeking highly specialized care.”

“Highmark Blue Cross Blue Shield Delaware has placed a strong emphasis on some of the most pressing issues of child health: obesity, access to mental health services, prevention of substance abuse and ensuring that all children are immunized,” says Constantine.

“We truly enjoy our partnership with Nemours and know that our members can rely on the quality services offered to its young patients.”

“The Nemours Fund for Children’s Health is grateful for the generous investment of Highmark Blue Cross Blue Shield Delaware in building a healthier future for children,” says Lori Counts, Managing Director.
